**Instructions for Essay by Grant Applicant**

As an applicant for the Special Achievement Grant you are required to write an essay not to exceed one page in length explaining the reasons why you consider yourself to be eligible for the Grant. In the essay tell about the plans you have after your high school graduation. Include answers to these questions: Do you plan to pursue additional educational opportunities? Do you plan to seek a job in a particular field? What goals have you set for yourself after graduation? If you are selected to receive this Grant, how will it help you to achieve your particular personal goals? Briefly, tell about your family. In the essay feel free to tell anything else about yourself that you consider important for the Selection Committee to know. Attach your essay to this completed form and deliver the two items to your Special Education teacher. Thank you for applying for the Special Achievement Grant.
